

OEC 2019

Theme: Environment and Mining

Dates: 20th to 22nd December, 2019

Venue: RMNH, BBSR

Objective of the Meet:

To highlight how mining affects environment with focus on the detrimental impacts and mitigation measures

Participants:

Policy Makers/ Planners/ Implementers/ Mining Partners / Academicians/
Researchers/ Activists/ NGOs/ Students

Outcome of the Meet:

At the end of the meet, the participants will be able to :

- Understand the contribution made by mineral resources to the economy of Odisha
- Comprehend how and why mining impacts environment in its various manifestations
- Come up with a set of recommendation to mitigate the detrimental impacts of mining on environment
- Use these recommendations for doing advocacy with policy makers/mining partners on how to minimize, if not completely eradicate, the negative impact of mining on environment
- Get (those in the academic field) a good source of reference materials for academic pursuit and research for the benefit of the economy
